Dreams

On September 8, 2008, the doors of the "new" Central High School were finally opened to an excited group of students, staff, parents, community, and local and state representatives. The students rushed through the doors to see the new school that they've been looking forward to calling home for many years. The Class of 2009 Yearbook's theme is "Dreams." Beginning with the grand opening, this school year has been full of long and short term victories that all started with a "dream" somewhere.

Indeed, yesterday's dream became today's reality - we are all living it!

Friendship... is not something you learn in school. But if you haven't learned the meaning of friendship, you really haven't learned anything.

Muhammad Ali

INSPIRATION

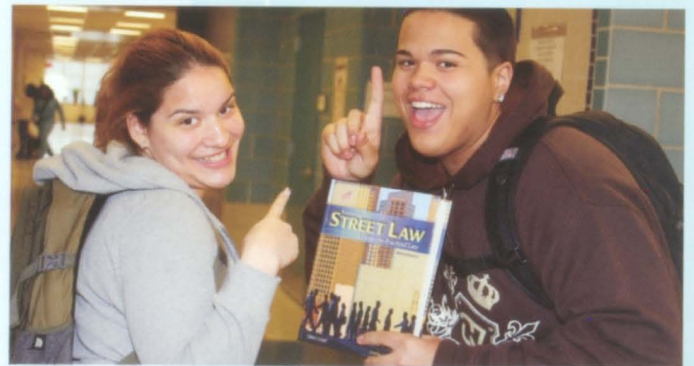

A real friend is one who walks in when the rest of the world walks out.

Walter Winchell

A best friend isn't someone who's just always there for you. It's someone who understands you a bit more than you understand yourself.

-Unknown

FRIENDSHIP

If you don't like who you are and where you are, don't worry about it because you're not stuck either with who you are or where you are. You can grow. You can change. You can be more than you are.

Zig Ziglar

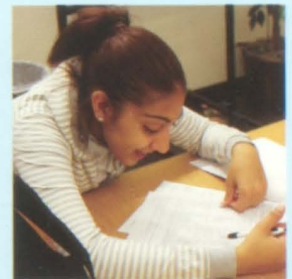

MOTIVATION

The only way to have a friend is to be one.
Ralph Waldo Emerson

It's better to lose a
minute of your life than
to loose your life in a
minute.
-Unknown

Don't do someting
today that you can't
live with tommorrow.
-Unknown

A friend is someone who
knows the song in your
heart and can sing it back
to you when you have
forgotten the words.

My Dream
 My Dream is my safe
 Haven.
 Goals not yet achieved
 My dream is a gallery
 Of what I want to be.
 What makes me.
 ME.

By: Mohamed L. Kamara

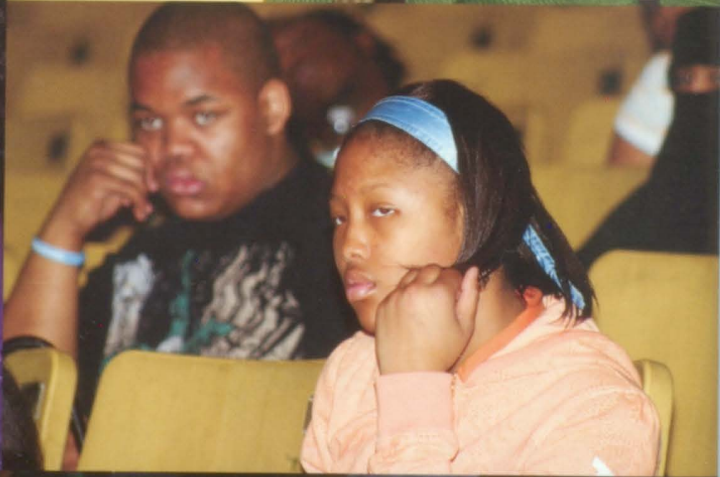

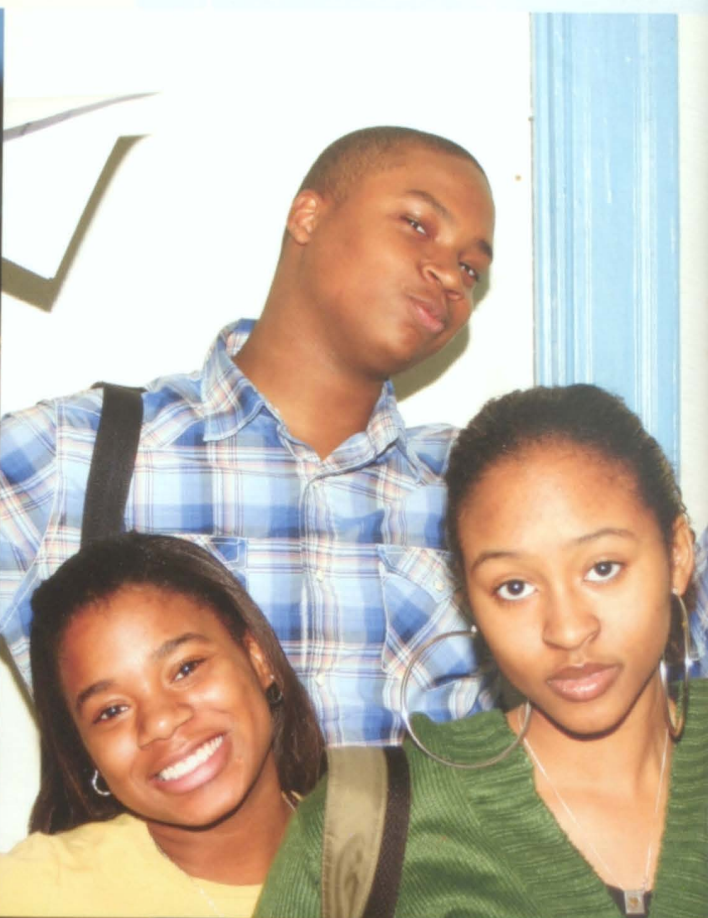

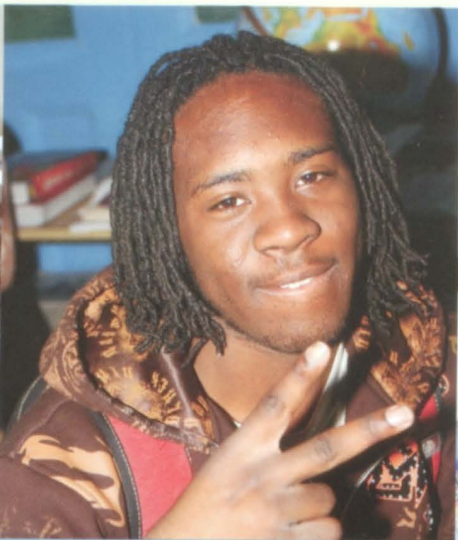

...I dream of Martin Luther King's life.
 I dream of love, success, to be
 blessed with no stress.
 I dream of family, power knocking
 the hate off me
 I dream of stairs to new doors in life
 I dream of the rain pouring.
 I dream of angles soaring around as
 I take every step in life.
 I dream of a better dream.

Graduation is also called Commencement Ceremony. It is called Commencement because it is not an end but a beginning. You are about to begin arguably the most important chapter of your life in a time full of change and uncertainty. These are exciting yet desperate times. We have witnessed the First African American President of the United States but simultaneously one of the worst economic crisis since the Great Depression. And while this may be a time of insecurity, it is also a great time to make change, to make your mark on the world, to let your voice be heard! Challenge and allow yourself to be challenged. Take risks but make good choices. Have big ambitions but big enough to include others. Dream with your eyes open and work until your dreams become your reality! Good luck and Godspeed! Counselor of Class of 2009

To the Class of 2009:

Since arriving at Central High School, I have been extremely impressed with this first class to graduate under my leadership as Guidance Counselor. This group has extraordinary talents that are yet to be seen by the outside world. Always remember where you come from (Central High School) and return from time to time to share your stories with your fellow Blue Devils. Continue to work hard in school beyond high school and remember that learning is a lifetime endeavor that improves us all personally while providing us with the tools and resources needed to improve our communities.

Congratulations!!!

If you're trying to achieve there will be roadblocks. I've had them; everybody's had them. But obstacles don't have to stop you. If you run into a wall don't turn around and give up. Figure out how to climb it, go through it, or work around it.

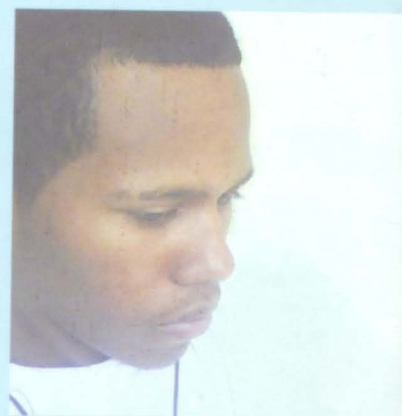

-Michael Jordan

Our year is finally here! We will all walk in your place on the day we were all to share. While you are missed dearly by us all, we must be strong and carry out your dreams with our own.

Peace

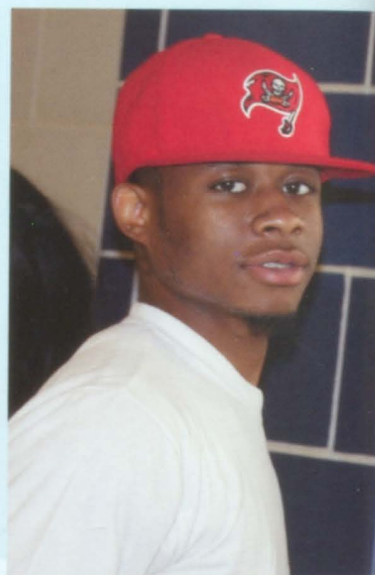

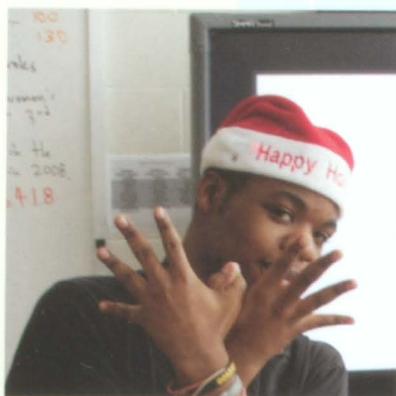

*We miss the way you used to laugh
-your smile, your walk, all made us

*The fact that things will never be the
same makes us sad....*

you are not in our hearts.*

Dreamer KEEP Dreaming

Dreamer KEEP dreaming
For theres a better tomorrow

Tell me what you dream about so that I may help
So that you wont feel DEPRESSED
And all the time STRESSED

You say that why should I dream and my L.I.F.E. doesnt seem to be going
right?

I say dreamer KEEP dreaming
Cause theres a better tomorrow

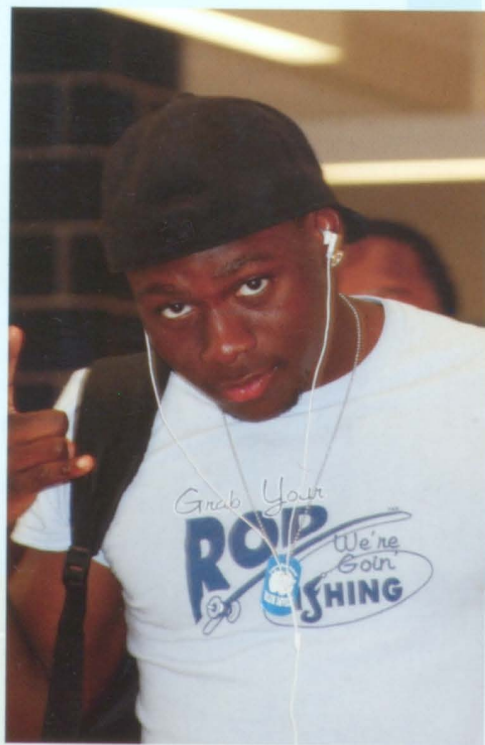

You say I dont have friends no more, people dont R.E.S.P.E.C.T me, and Im
behind on my rent and I want to start a business, but people criticize me, and I
say Im not gonna make it.

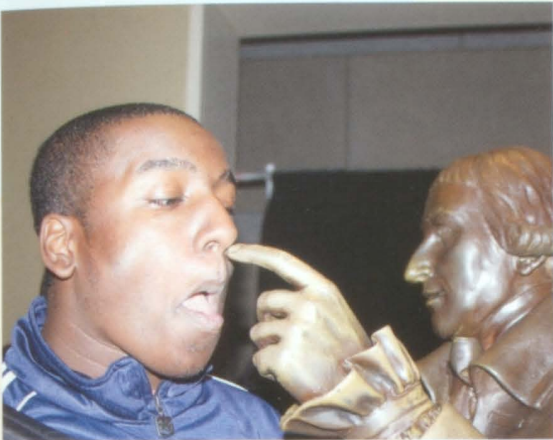

And I say dreamer believe in your dream

So youre getting better and happy to go pay rent
You think about your past and focus on the present and happy that you dont
look like what you been through
And I say dreamer youre a conqueror

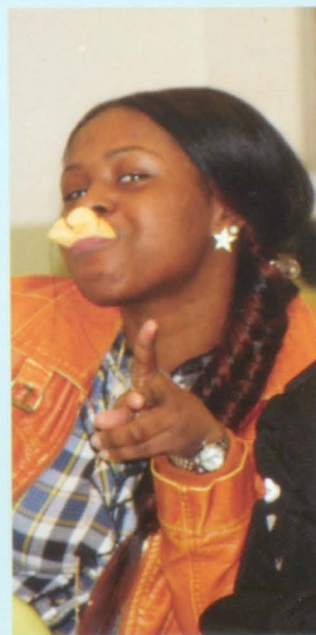

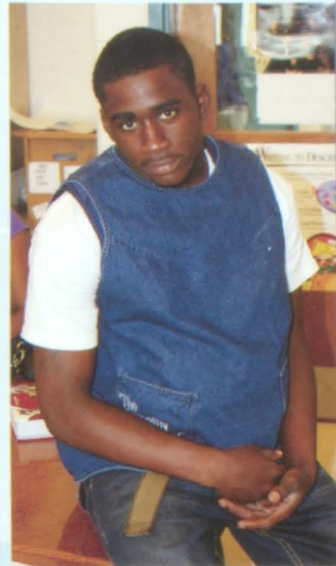

So your business is up and running
\$\$\$, power, respect, success, and friends you value the most
The friends you NEVER had on your side because you have \$\$\$ but where
would they be when you lose everything?
Thoughts run through your mind and realize that youre L.I.F.E. Is PERFECT
So I say wake up dreamer and make your dream come true.

Ashley Washington-Ransome

Ahh!
You
Got
Me!

No Dreams,
Im hallucinating
Used to pain reigning
I cant explain itl think its love that Im hating
Imagine living with power and gold
Stories are toldsubconscious knowledge that we all hold
The powers inside us
They cant box us in because we fighters
Desires burning with fire
And our dreams are the lighters
Higher, I excel
My brains propellers propel
My minds motor is moving forward
So its hard for me to fail
I watched dreams fade like Jordan
And in reality thats sad son

I dont dream

Dr. King got murdered because he had one
Ima teach and reach until nothing is left
I dont dream they sleep is the cousin of death
I dont dream they say sleep is the cousin of death
I dont dream they say sleep is the cousin of death

I Wonder

Now I lay me

Down to sleep

I dream of how the

World would be

Would my life be

Awesome or still the same

As if I was just

Day dreaming

I imagine when I awake

An easy or calm path to walk

I dream of my school and community

To have a free and peaceful life

I dont dream for myself

I dream for my family

I ask myself these questions

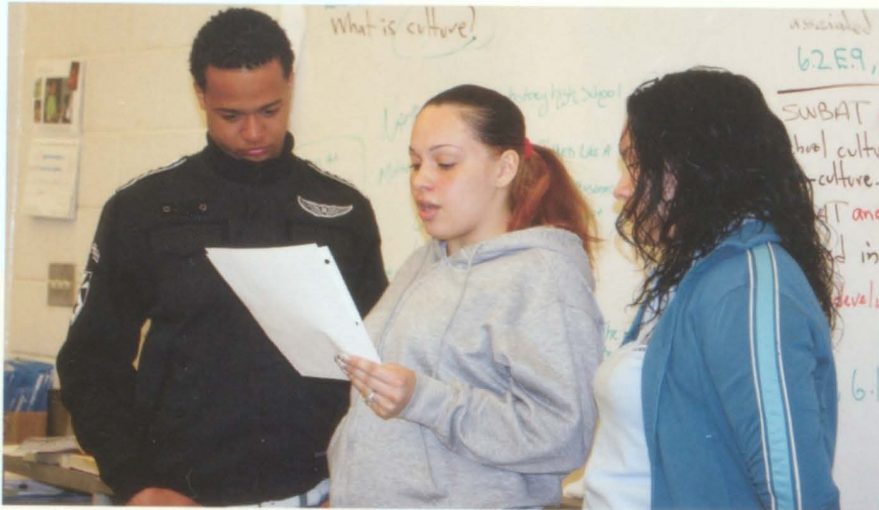

When Im dreaming how

Would my life be

I wonder

Would it stay as a dream.

It's So Hard to Say Goodbye.
